PROFESSIONAL SUMMARY

Psychologist with 5 years of experience in **HR Business Partnering and Talent Management** in fast-paced startup and consumer goods environments. Proven ability to build trusted relationships across all organisational levels from C-suite to entry level while driving **performance management, leadership development, succession planning and employee engagement**. Combines deep HR functional expertise with a **data-driven mindset** and hands-on experience **applying AI tools to design smarter people solutions**. Proactive, resourceful and solutions-oriented. Fluent in English and Spanish.

EDUCATION

IE Business School - Madrid, Spain | Master in Talent Development & HR — July 2026

Universidad de los Andes - Bogota, Colombia | Bachelor, Psychology — December 2020

CONSULTING EXPERIENCE

IE Business School - HR Consulting Projects | Madrid, Spain

HR Consultant - Inditex (Zara, Retail) — 2026

- Developed an **AI-powered centralised tool** (Cursor) for Zara store managers across Europe transforming absenteeism data into **concrete, actionable recommendations** adapted to fast-paced retail environments. Winner of the **Best Final Corporate Project** award of the Master.

HR Consultant - Anabion (Biopharma) — 2025

- Designed an **AI-powered HR platform** (Google AI Studio and Cursor) centralising talent pool management, labour market intelligence and EVP impact tracking, translating complex HR challenges into a **data-driven solution with defined success metrics**.

HR Consultant - Suntory (FMCG, Plant Operations - Toledo) — 2024

- Conducted **on-site organisational diagnostic** through structured interviews with frontline workers to identify engagement gaps and adoption barriers; designed **pragmatic improvement proposals** with a knowledge transfer framework and 5 success metrics.

PROFESSIONAL EXPERIENCE

UBITS (HR Tech Startup, B2B) - Bogota, Colombia

Talent Management Associate — June 2025 - August 2025

- Designed and launched **"From 0 to AI Expert"** a company-wide AI upskilling programme, identifying capability gaps and driving cross-functional innovation through a **$500 prize** for the best AI-based business solution.

Talent Management Sr. Specialist — October 2022 - June 2025

- Facilitated **Voice of Ubitsers** structured listening sessions to map **engagement levels, leadership climate and misalignment signals**, enabling data-informed HR interventions across the organisation.
- **Implemented 360-degree feedback evaluations** with personalised dashboards per employee; results fed into **biannual talent reviews and succession planning** from middle management to C-level using **Looker dashboards**.
- **Co-created individual development plans** lifting adoption from **53% to 89%**; designed the **Middle Leadership Programme** (3 cohorts, **NPS 90%**) and built **Mentoring by UBITS** from scratch with 4 cohorts and **40+ matches**.

Talent Management Specialist — February 2022 - October 2022

- **Led end-to-end onboarding with NPS 84**; administered the proprietary **HR SaaS platform** aligning learning paths with development plans; **automated HR communications using Make** and Slack integration.

BAVARIA (Beverage, AB InBev) - Bogota, Colombia

People Continuity Analyst — February 2021 - February 2022

- Managed **end-to-end recruitment** across Logistics, Marketing and Communications; **led the Supply Trainee Programme** partnering with senior leaders to identify top university talent, expanding partnerships by **42.8% year-over-year**.

ALPINA (Dairy & Food) - Bogota, Colombia

HR Intern — July 2020 - December 2020

- Executed **end-to-end recruitment** and designed a **Skills Matrix** for targeted learning interventions; implemented training and well-being programmes strengthening **workforce engagement** and cultural alignment.
